B. PRIVACY POLICY

The company I WANT IT, in its capacity as data controller within the meaning of the regulations in force regarding the protection of personal data, attaches great importance to the protection and respect of your privacy. This privacy policy (as well as our General Terms and Conditions of Use and any document referred to therein) is intended to inform you, in accordance with Regulation No. 2016-679 of April 27, 2016 relating to the protection of natural persons at regarding the processing of personal data and the free movement of such data

(hereinafter the "GDPR"), our practices regarding the collection, use and sharing of the information that you are required to provide to us by through its mobile application (hereinafter "the Application"). This document is intended to inform you about the categories of personal data that we may collect or hold about you, how we use it, with whom we share it, how we protect it, and the rights you have over your personal data. This privacy policy applies to all services published by I WANT IT that you use in particular via the Application (excluding services provided and operated by third parties, in which case it is the privacy policy of those third parties which applies and not these provisions).

1. The data we collect

By using the Application, you are required to send us information, some of which is likely to identify you : and therefore constitutes personal data (hereinafter the "Data"). This is particularly the case when you register on the Application, during your first connection. This information contains in particular the following data :

Registration Data : refers to the Basic Data required for registration to access the Application. This Data is directly transmitted by you, or retrieved by I WANT IT from Facebook to facilitate your registration, via the Facebook Connect button. By clicking on the "Facebook Connect" button, you accept that Facebook communicates this Data to us. These Data relate to your identity, namely:

- Your first and last name,
- Your username,
- Your gender,
- Your profile picture,
- Your email,
- Your date of birth,
- Your friends list

Data made public: means all the information that you voluntarily display on the Application such as your comments, your wishes, discussions on the forums if necessary.

Browsing data: refers to the data we collect when you browse the Application, such as the date, time of connection and/or browsing, browser type, browser language, IP address .

In the event that you connect to our services using the social network functionalities made available to you, we will have access to some of the Data of your account on the social network in accordance with the general conditions of use of the social network concerned. We are also likely to collect some of your Data when you interact with features of these social networks, such as the “Like” features.

When collecting Data, you will be informed if certain Data must be provided or if it is optional.

2. The data we collect

We use the Data we collect to:

Purposes	Legal basis
Create and manage your account	Performance of a contract (acceptance of our Terms of Service)
Send you informational messages relating to your use of the Application or your interactions with other users of the Application (notifications)	Performance of a contract (acceptance of our Terms of Service)
Send you I WANT IT newsletters as well as marketing or advertising messages or content.	Email consent
Improve and optimize our services and allow us to better understand our users and how our services are used	I WANT IT legitimate interest
Manage our Application and carry out internal technical operations as part of the resolution of malfunctions, data analysis, tests, research, analyses, studies, surveys	I WANT IT legitimate interest

When the processing of your Data is based on consent, you can withdraw it at any time.

I WANT IT may also process your Data in response to a legal request (search warrant, court order or other) or to comply with legal, regulatory, judicial or administrative obligations.

I WANT IT can finally process your Data to detect or prevent fraudulent activities or breaches of the security of our services, in application and in compliance with legal and regulatory provisions, or even analyze reports of users who have engaged in offending behavior to our Terms of Service.

3. Who are the recipients of the data we collect and why do we send them this data?

3.1 Data transferred to public authorities and/or bodies

In accordance with the regulations in force, the Data may be transmitted to the competent authorities on request and in particular to public bodies, court officers, ministerial officers, bodies responsible for collecting debts, exclusively to meet legal obligations, as well as in the case of the search for the perpetrators of offenses committed on the Internet.

3.2 Data transferred to third parties

We work in close collaboration with third-party companies that may have access to your Data, and in particular with:

Our technical service providers (subcontractors) whom we use for the purpose of operating and improving our Services, in particular concerning the hosting of Data, studies, analyzes and statistics, the use of the Application and/or the proper functioning of the Application and provide the necessary assistance to its users.

Our business partners, namely the following affiliate platforms:

Tradedoubler, Netaffiliation, Awin, Amazon, Effiliation, Webgains, Affilinet, CJ so that they know that the source of the transaction you make on their platform comes from our Application.

We only provide these third parties with the Data they need to perform their services, and we require that they do not use your Data for any other purpose.

These third parties only act in accordance with our instructions and are contractually bound to ensure a level of security and confidentiality of your Data identical to that which we guarantee to you, in accordance with the GDPR.

4. How long do we keep your data?

Your Data will not be kept beyond the time strictly necessary for the purposes pursued as set out in this privacy policy, in accordance with the GDPR.

In this respect, your Data is kept:

For the entire duration of your registration on our Application;

For a period of 3 years from the suspension / termination of your account;

For the legal duration of 13 months for cookies.

Your Data is erased when the retention periods expire. Nevertheless, your Data may be archived beyond the periods provided for the purposes of research, observation and prosecution of criminal offenses for the sole purpose of allowing, as necessary, the provision of your Data to the judicial authority.

Archiving implies that your Data will no longer be available online but will be extracted and stored on an autonomous and secure medium.

5. Are your data transferred, how and where?

As a general rule, your Data is not transferred outside the territory of the European Union.

However, insofar as certain I WANT IT service providers are located in countries outside the European Union, we undertake to carry out this transfer in a secure manner and in accordance with the regulatory provisions in force:

Either by transferring the Data to a recipient located in a country that has been the subject of an adequacy decision by the European Commission certifying that it has an adequate level of protection;
Either by executing or having executed the European Standard Contractual Clauses which have been approved by the European Commission as ensuring an adequate level of protection for your Data;
Or by using all appropriate guarantees referred to in Article 46 of the GDPR.

6. How is your data protected?

We take appropriate technical and organizational measures to prohibit unauthorized access to or modification, disclosure, loss or destruction of your Data. It is important that you maintain the confidentiality of your identifiers in order to prevent unlawful use of your account, in accordance with our General Conditions of Use.

7. Cookies and similar technologies

We use statistical audience measurement cookies offered by Google Analytics in order to collect information exclusively on the rate of use of our website.

When we use Google Analytics, we have configured the service to anonymize your IP address as soon as the data is received by the Analytics collection network:

<https://support.google.com/analytics/answer/2763052?hl=fr>, before any storage or processing.

To opt out of being tracked by Google Analytics, please visit
<http://tools.google.com/dlpage/gaoptout>

8. What are your rights over your data?

In accordance with applicable laws and regulations on the protection of personal data, you have a number of rights relating to your Data, namely:

- A right of access and information: you have the right to be informed in a concise, transparent, intelligible and easily accessible manner of how your Data is processed. You also have the right to obtain (i) confirmation that Data concerning you is being processed and, where applicable (ii) to access this Data and obtain a copy thereof.
- A right of rectification: you have the right to obtain the rectification of inaccurate Data concerning you. You also have the right to complete incomplete Data concerning you, by providing an additional declaration. In the event of exercise of this right, we undertake to communicate any rectification to all the recipients of your Data.
- A right to limit processing: in certain cases, you have the right to obtain the limitation of processing of your Data.
- A right to Data portability: you have the right to receive your Data that you have provided to us, in a structured, commonly used and machine-readable format, for your personal use or to

transmit it to a third party of your choice. This right only applies when the processing of your Data is based on your consent, on a contract or when this processing is carried out by automated means.

- A right to object to processing: you have the right to object at any time to the processing of your Data for processing based on our legitimate interest, and those for commercial prospecting purposes. This is not an absolute right and we may for legal or legitimate reasons refuse your request to object.
- The right to withdraw your consent at any time: you can withdraw your consent to the processing of your Data when the processing is based on your consent. Withdrawal of consent does not affect the lawfulness of processing based on consent made prior to such withdrawal.
- The right to give instructions concerning the fate of your data after your death: you have the right to give us instructions concerning the use of your Data after your death.

To exercise these rights, you can contact us at the following address:
contact@i-wantit.com

Note that we may require proof of your identity to exercise these rights.

9. Changes to our Privacy Policy

We may occasionally modify this policy, in particular to comply with any regulatory, jurisprudential, editorial or technical developments. Where appropriate, we will change the "last updated" date and indicate the date on which the changes were made. When necessary, we will inform you and/or seek your consent. We advise you to check this page regularly to take note of any changes or updates to our policy.

10.Contact

For any question relating to this policy or for any request relating to your Data, you can contact us by:

Sending an email to the following address: contact@i-wantit.com;

Where

Sending a letter to the following address: 64 rue Grignan 13001

Marseille

Version updated on November 22, 2021.

11. Deletion of data

To delete your account and/or ask to delete your personal data, please send an email with your username to contact@i-wantit.com. We will process it within 24 hours.
